Remarks

Applicant thanks the Examiner for the Written Office Action. In particular, the Applicant respectfully thanks the Examiner for the Allowed Subject Matter.

With regard to the substantive portion of the Written Office Action, the Application is in condition for allowance except for formal matters, specifically there are non-elected Claims that must be cancelled before allowance.

In response to the Written Office Action, the Applicant respectfully submits that Claims 6-31 have been cancelled.

The Applicant believes the pending claims have addressed each of the issues pointed out by the Examiner in the Office Action. In light of the foregoing amendment, the claims should be in a condition for allowance. Should the Examiner wish to discuss any of the proposed changes, Applicant again invites the Examiner to do so by telephone conference.

Respectfully Submitted,
